I. Attention in implementation of the project

1 Communication

1.1. How to Communicate

We, Pro Natura Foundation Japan (PNFJ), will make contact to the representative grantee and Japanese member by e-mail. In order to avoid misunderstandings, we do not use telephone to tell important information.

For the smooth communication, the representative grantee shall include the Japanese member in all e-mails when contacting PNFJ.

1.2. Submission of documents

The grantee must submit all the documents required. Please kindly note that some documents are to be submitted via Japanese member, and other documents are to be submitted by Japanese member (please refer page 4).

All formats are available on our website below:

https://www.pronaturajapan.com/josei_documents/index.html

Please click the “▶” button on the left side of “プロ・ナトゥーラ・ファン ド助成（海外／Overseas）”, then you will find the formats in English.

2 Implementation of the project

2.1. Compliance of MOU

The grantee must comply with Memorandum of Understanding (MOU).

2.2 Responsibilities of the representative of grantee group

The representative grantee (project leader) is responsible for everything in this project. He/she always needs to comprehend the progress of project. If the representative grantee has to be changed for inevitable reasons, such as health problem, accident, and job relocation, he/she has to contact us immediately.

The representative grantee is required to do the followings:

currency of grant from remitted one, it must be done immediately and the statement of exchange must be submitted with a receipt form (RECEIPT 1 and RECEIPT 2).

5.1. Funding term

The funding term is between 1 October 2022 and 30 September 2023. The grants can be used only in this term.

5.2. Remittance of grants

The grants will be remitted to the grantee in two payments. The first portion of the grant will be remitted, once both the grantee and PNFJ signed the MOU (in October 2022) and Grant Budget (Form 2) is submitted to PNFJ. The remaining portion will be remitted after PNFJ received the interim report (in April 2023).

The remittance will be made in the currency specified by the grantee group. Please note that some currencies may not be available in Japanese bank. In this case, PNFJ will make a remittance in US dollars.

The currency exchange rate will be the rate on the remittance date; therefore, the total amount of remittance may be subject to change depending on the exchange rate.

When the grantee needs to exchange the currency of grant from remitted one, it must be done immediately and the statement of exchange must be submitted with receipt form (RECEIPT 1 and RECEIPT 2).

5.3. Responsibility of the accountant

The accountant is responsible for managing the grants. The indirect expenses, such as labor costs for managing projects and rent of office, are NOT allowed.

If getting the receipts is difficult in the case of the payment by a credit card, the payment for transportation expenses and so on, submission of statements instead of receipts is also acceptable. Only when getting even statements is difficult, receipts

handwritten by grantee is acceptable. In this case, it must include recipient's name, date, description of cost and other necessary details.

When the grantee exchanges the currency of grant from remitted one, statement of exchange is also required. Grantee must submit the statement of exchange with RECEIPT 1 or 2 and keep them by the end of project term. When the accountant submits Account Report (様式 4) at the end of project term, all receipts and statements of expenses are required to be submitted.
